I have had other priorities and haven't gotten to it yet. Unless Tim needs them for his statement, it may take a court date to get this moving. And if Tim needs them for his statement, I will need to confer with Neil about prioritizing my workload (or givin a brotha some OT or comp time).

Hey Rusty, just checking in to see how the rodenticides pricing is going. I'm around all week if you want to drop by and touch base.

Best,
Izzy
